OAK LAWN
PARKS FOUNDATION

Oak Lawn Parks Foundation

The Oak Lawn Parks Foundation, in cooperation with the Oak Lawn Park District, is pleased to offer you the Memorial Tree Fund Program. Through this program, trees can be purchased and planted on park district property to commemorate people or special occasions.

What better way to remember a deceased loved one than to purchase a living, growing tree in their honor? With the Parks Foundation Memorial Tree Fund, the memory of your loved one or special event will be shared with everyone for years to come.

Donors

Bench donors may request a specific park where they would like a bench installed. Donors may choose from any one of the Park District parks; however, the Oak Lawn Park District reserves the right to designate the site. Donors may request a bench memorial ceremony at which members of the Parks Foundation and the Park District will attend. At that time donors are presented with a certificate acknowledging their donation, including the name of the person or the event being commemorated

Benches

Through this program benches can be purchased and planted on park district property to commemorate people or special occasions.

We have two benches available:

1. Six foot long, seven slat bench made of recycled plastic - \$1,300.00
2. Eight foot long, seven slat bench made of recycled plastic - \$1,500.00

Average cost for engraving would be approximately \$150.00. What better way to remember a deceased loved one than to purchase a memorial bench in their memory.

Guarantee

All Memorial Bench Program Benches are maintained by the Oak Lawn Park District. In the event the bench is damaged, it will be replaced by the Parks Foundation as funds permit.
